Paula DuPre' Pesmen, Founder of There With Care and Cy DeBoer, Founder of Bin Blessed

**B**in Blessed, a grassroots organization founded by Village resident, Cy DeBoer has reached an incredible milestone. The Bin Babe members have collected over One Million Dollars in total value for the donations made to the nonprofit, There With Care. There With Care provides meaningful services to families with a critically ill child. The million-dollar value was achieved box by box with cereal, Mac-n-cheese, peanut butter/jelly, etc. from community collections and school food drives.

What began as Cy's simple idea of 10 ladies using 10 green bins on their front porches to collect in-kind items has grown in every way. Bin Blessed has 160 members and 30 bin locations throughout the Denver South Metro area.

Bin Blessed is now the biggest contributor of grocery items as well as baby clothing for There With Care and it all began right here in our neighborhood. *Stroll* magazine was the perfect publication to introduce the new MILLION Dollar Babes!!! Are you looking for a Social group that makes a difference for your community without obligations?? Become a Bin Babe and learn how you can help while having fun.

**"I CANNOT DO EVERYTHING, BUT I CAN DO SOMETHING".**

Every donation, no matter how big or small, adds up and helps so many families who desperately need and appreciate our help! Thank you in advance for your kindness and generosity.
